NOTE 1.—'Children' means legitimate children.

NOTE 2.—An adopted child shall be considered to be a child when the Controlling Officer, or when any doubt arises in the mind of the Controlling Officer, the solicitor to the Government of India, is satisfied that under the personal law of the subscriber, adoption is legally recognised as conferring the status of a natural child, but in this case only.

The amount of subscription to be paid shall also be determined by the Controlling Officer, the general principle to be observed being that the subscription should be calculated on half the emoluments drawn by the employee before he proceeded on leave without pay or was placed under suspension.

8. (1) The amount of subscription shall be fixed by the subscriber himself subject to the following conditions—

- (a) It shall be expressed in whole rupees; Provided that if the emoluments of the subscriber do not exceed fifty rupees a month, the amount may be any multiple of a half rupee;

Provided that if a subscriber is on duty for a part of a month and on leave for the remainder of that month, and if he has elected not to subscribe during leave the amount of the subscription shall be proportionate to the number of days spent on duty in the month.

9. Realisation of subscription.—(1) When the emoluments are drawn on the establishment pay bills, recovery of subscription to and the principal and interest of advances granted from the Provident Fund shall be made by deduction from the pay bills.

(iii) a written request is made to Controlling Officer showing reason for the request.

Provided that if the reason is of a confidential nature it may be communicated to the Controlling Officer personally or confidentially.

Provided that, if the order of dismissal is subsequently cancelled, the amount so deducted shall, on his reinstatement in the service, be replaced at his credit in the Provident Fund.

15. The instalments shall be expressed in whole rupees and recovered from the subscriber's salary in the manner indicated in Rule 9. The first instalment shall commence from the first payment of a full month's salary after the grant of advance.

Provided that when the advance is distributed to be recovered in more than 20 instalments, the interest may, if the subscriber so desires be recovered in two equal monthly instalments.

17. **Final withdrawal of accumulations in the Provident Fund.**—The amount standing to the credit of a subscriber shall become payable at the time of quitting service or the death of the subscriber in the manner provided by these rules
